Secured Installations (Government or Privately Owned) \$30.21 per inch (fire line nominal diameter- payable monthly)

DELAYED PAYMENT PENALTY

The above schedule is net. On all accounts not paid in full when due, ten percent (10%) will be added to the net current amount unpaid. This delayed payment penalty is not interest and is to be collected only once for each bill where it is appropriate.

RECONNECTION-\$20.00

To be charged whenever the supply of water is turned off for violation of rules, nonpayment of bills or fraudulent use of water.

TAP FEE

The following charge is to be made whenever the utility installs a new tap to serve an applicant.

A tap fee of \$450.00 will be charged to all customers who apply for service outside of a certificate proceeding before the Commission for each new tap to the system.

LEAK ADJUSTMENT

\$0.76 per 1,000 gallons is to be used when the bill reflects unusual consumption which can be attributed to eligible leakage on customer's side of the meter. This rate shall be applied to all such consumption above customer's historical average usage.

SPECIAL WATER SERVICES

1. Where water is desired for only a short period of time, and not continuously throughout the year, such as for vacation homes or cottages, building purposes, street paving, cleaning property, filling tanks or other uses of this kind, an application shall be made as set forth in Water Rule 4.1.6., and payment made in accordance with the applicable schedule of rates and charges, in which case a suitable deposit shall be made.
2. When making application for special water service, the applicant shall pay the District the (a) applicable security deposit; and (b) service reconnecting charge.
3. The applicant shall forfeit the total security deposit if the District can show the user tampered with any District property.
4. Each reconnecting of a special water service shall require a new application.

RETURNED CHECK CHARGE

A service charge equal to the actual bank fee assessed to the District, not to exceed \$25.00, will be imposed upon any customer whose check for payment of charge is returned by his or her bank due to insufficient funds.

SECURITY DEPOSIT

Not to exceed two-twelfths (2/12) if the average annual usage of the applicant's specific customer class or fifty dollars, whichever is greater. This fee may be changed by applicable statutory provisions.
